

# LESSON 5

## **PROJECT 1**

# PROJECTS!

Groups of [x] people

Work with the guidance of your assigned veteran to complete your project.

# PROJECT 1: BUILD A CHAIR

- Wooden chair
- Dimensions: in x in x in
- Creativity is king 
- So is durability

# MATERIALS AND TOOLS

- Wood!
- Measurement devices
- Nails, screws
- Clamps
- File, sandpaper
- With veteran supervision: drill, hammer, hacksaw

# OFF-LIMIT MATERIALS AND TOOLS

- Metal
- Big power tools and machines – if you need to use one, ask a veteran

# LET'S GET STARTED!

Group 1: **Risa**, freshie 1, freshie 2

Group 2: **VETERAN 2**, freshie 3, freshie 4

Group 3: **VETERAN 3**, freshie 5, freshie 6

Group 4: **VETERAN 4**, freshie 7, freshie 8

# GOALS

- Get used to being in the shop
- Learn to use basic tools and familiarize with safety precautions
- Make chairs that we can actually use (hopefully)
- Meet teammates
